**Associated Press Stylebook Game**

Materials: Several AP Style Books  
Computer with projector  
Quizlet Website – Flashcards (AP Stylebook quiz):  
http://quizlet.com/2046964/flashcards

Students will work in groups, each group will have an AP Stylebook.

The Quizlet AP Stylebook flashcards are projected on the screen or smart board. The voice on quizlet will ask the question while the question is displayed and the first group to look up the correct answer gets a point. Students must show the teacher where they found the answer in the AP Stylebook. To verify the answer, click on the flashcard and the card will flip over giving the correct answer. Students will take turns looking up the answers in their groups. At the end of the game I gave every student a Jolly Rancher for participating, and the winning group received three fun-size chocolate candies each.
