

*Note:*

This document needs to be copied/pasted into an online collaboration tool or platform, such as a Google Doc or Box document so that students can collaborate live.

---

## **Tips for Safety and Effectiveness: Collaboration Document:**

### **Learning Target:**

- I can find and pull out valuable information from a text.
- I can collaborate on a finished product for student use.

### **Collaborative Document:**

- As a class, contribute the tips your team fine-tuned in Think/Pair/Share to the class document on Google/Box.
- The document you need to collaborate on is: **PUT LINK HERE ONCE IT'S CREATED**
  - Edit what others have added for content. Expand upon their ideas.
  - Add any headers you think the teacher missed.
  - Edit the document for grammar, spelling, etc.
- The final document will be our guiding norms and our guiding purpose for the trip.

### **Headers to start students' prompts:**

- **Tips for Conducting Interviews:**
- **Tips for Understanding Others:**
- **Tips for Understanding Cultural or other Differences:**
- **Tips for Equipment Choice & Safety:**
- **Tips for Working as a Team on a Trip:**
- **Tips for Personal Safety:**
- **Guiding Purpose:**
  - We will be looking for the stories of individuals or places that share or exemplify the culture and society of \_\_\_\_\_.
